About Conference

FEMIT 2025 is a multidisciplinary conference scheduled for April 5, 2025 focusing on advancements and emerging trends in Education, Management, and Information Technology. The conference aims to provide a dynamic platform for researchers, academicians, and industry professionals to exchange ideas, present their latest research, and foster collaborations across various disciplines. This event will feature a diverse range of presentations, including cutting-edge research papers, insightful keynote addresses, and thought-provoking discussions on contemporary developments. By bringing together experts from around the world, FEMIT 2025 seeks to encourage meaningful dialogue, inspire innovation, and pave the way for future research collaborations. All accepted research papers (approved by our institution) will be published in the conference proceedings with an ISBN number, ensuring their accessibility and contribution to academic and professional communities.
